Meghnad Saha Institute of Technology

06/2019 — 05/2023

BTech: Electronics and Communication Engineering

CGPA: 8.47

INTERNSHIP

Resto-G

07/2021—02/2022

Frontend Developer

I have done an internship as a Frontend Developer at Resto-G for 8 months and have made many websites for their clients. I used to make websites for Restaurants and Shops so that they can also make their online presence in this competitive market.
